White spruce	245 sq ft	220 sq ft	305 sq ft	140 sq ft	155 sq ft

***These ratios are based on a sanding compliant with the info in the product technical sheet.

***On rough wood, the quantity of product required may vary from 35% to 80%, depending on the wood grain.

*** Adding a second coat on a monocoat is possible. It requires about 50% less product than a first coat.
